DDI 02088-86  
24 April 1986

22

MEMORANDUM FOR: Director of Central Intelligence  
Deputy Director of Central Intelligence

FROM: John L. Helgerson  
Associate Deputy Director for Intelligence

SUBJECT: DDI Activity Report 21 April - 25 April 1986

**DCI/DDCI Assigned Tasks**

ALA prepared an update to the DCI briefing book on Contadora talks and OAS involvement in negotiations.

SOVA, OEA, and OGI prepared talking points for the DCI meeting with Admiral Hays, Commander-in-Chief, Pacific. SOVA also prepared talking points for the DCI on the 27th Congress.

CRES prepared for the DCI, DDCI and DDI several bullet papers relating to a recent launch failure and its implications.

NESA analysts prepared numerous talking points for the DCI on various issues arising from last week's airstrikes in Libya. Talking points were also provided for the DCI on Syrian cooperation with Libya.

[Redacted]

**Policy Support**

OGI prepared various threat assessments this week in the wake of the US airstrike on Libya, and a threat assessment for the President's Asian trip.

EURA analysts drafted a typescript outlining the attitudes of the West European countries toward Libya and possible US leverage for Attorney General Meese before his meeting with the Trevi Group. EURA also prepared a self-initiated typescript outlining how the West Europeans were responding to the US raid on Libya and discussing how they might react to various US contingencies in the near future. OGI provided talking points on Libyan complicity in recent terrorist attacks and evidence of continued plotting for the Attorney General, and OCR provided biographic reports.
